

Tomah Area School District Existing Student Verification

Infinite Campus, our school district's student information system, includes an online registration feature. Please complete the Online Registration (OLR) for students currently attending the Tomah Area School District (TASD). This process replaces verification forms that were mailed home in previous school years. This ensures we have accurate information to appropriately care for all students in our district. You are able to verify information for any students you can see on your Parent Portal. If a parent or guardian already completed the verification, any additional parent or guardian will not be able to complete another application for that child. If that child is your only student in the District, please contact the District Registrar at kellijanusheske@tomah.education to update your information.
